

**BLACKSTONE VALLEY
BOYS & GIRLS CLUB**
“The Positive Place for Kids”

U10 and U12 Indoor Club Soccer Teams **“The BVBGC Rangers FC”**

RANGERS F.C.
BVBGC

Our U10 and U12 indoor “Ranger” club team program will provide an experience that will allow each player to develop their technical and tactical soccer skills. Our goal is to provide each player with a unique, fun and positive soccer experience.

We will teach our players advanced soccer skills in a challenging, yet fun atmosphere through various small sided soccer activities that emphasize maximum time with the ball at their feet.

In addition to practicing at the BVBGC gym, we will test our skills together at The Hab in Uxbridge on a weekly basis in matches against other area teams.

Teams:

- Boys and Girls for U10 (Number of teams will depend on players registered)
- Boys and Girls for U12 (Number of teams will depend on players registered)
- We will make equally balanced co-ed teams and all teams will compete in the lower division of the U10 and U12 age group at The Hab.
- All players registered will be placed on a team.

Games:

- Based on feedback from The Hab, U10 games will be mostly during the day on Sundays and U12 games will be mostly during the day on Saturdays and all games will be on Turf Fields. This may vary based upon the indoor facility’s final scheduling.
- There are 2 – eight week sessions with the first season starting the first week of November. Not mandatory to play both sessions, but we cannot guarantee availability of roster spots for the second session. We will be flexible to the extent we can.

Practices:

- Typically Wednesday nights at the BVBGC Gym in Blackstone.

Registration Fees:

- \$ 80 per session
- All players must be a member of the Blackstone Valley Boys and Girls Club Membership Fee for each child is \$20 – this is good for one calendar year and is in addition to registration fee.

REGISTER NOW at the CLUB

115 Canal Street

Blackstone, MA 01504
