U8 Indoor Club Soccer Teams **"The BVBGC Rangers FC"**

RANGERS F.C.
BVBGC

Based on overwhelming member feedback we have decided to add a U8 age group to our Ranger FC Indoor Club Soccer Program! Our goal for this age group is to provide each player with a challenging yet fun and positive soccer experience.

This new program will encourage each of our young players to become comfortable and confident with the ball at their feet. Our coaches will be teaching the players through various fun activities and small sided games and matches. Our focus will be individual skill development not winning.

In addition to practicing at the BVBGC gym, we will test our skills together at The Hab in Uxbridge on a weekly basis in matches against other area teams.

Teams:

- Number of teams will be based on number of players registered.
- We will make equally balanced teams and all teams will compete in the lower division of the U8 age group at The Hab.

Games:

- Based on feedback from The Hab, games will be either on Friday nights or during the day on Saturday for this Division and all games will be on Turf Fields.
- There are 2 – eight week sessions with the first season starting the first week of November. Not mandatory to play both sessions, but we cannot guarantee availability of roster spots for the second session. We will be flexible to the extent we can.

Practices:

- Typically Thursday nights from 5:30 pm to 6:30 pm at the BVBGC Gym in Blackstone.

Registration Fees:

- \$ 80 per session
- All players must be a member of the Blackstone Valley Boys and Girls Club Membership Fee for each child is \$20 – this is good for one calendar year and is in addition to registration fee.
